

AEROSUSA

Cable Protection Solutions for the Robotics Industry

Unsurpassed in Cable Protection and Strain Relief

Cobot Holder RQDR

RQDR-KB: Velcro Tape Fastening

- **Without Inserts**
 - 5040.042.200 - 1 1/4" Conduit
- **With MOVE Insert**
 - 5040.142.200 - 1" Conduit
 - 5040.242.200 - 3/4" Conduit
 - 5040.342.200 - 1/2" Conduit
- **With RQMR Insert**
 - 5040.442.200 - 1" Conduit
 - 5040.542.200 - 3/4" Conduit
 - 5040.642.200 - 1/2" Conduit

RQDR-AP: Mounting Plate for Fixed Mounting

- **Without Inserts**
 - 5040.042.201 - 1 1/4" Conduit
- **With MOVE Insert**
 - 5040.142.201 - 1" Conduit
 - 5040.242.201 - 3/4" Conduit
 - 5040.342.201 - 1/2" Conduit
- **With RQMR Insert**
 - 5040.442.201 - 1" Conduit
 - 5040.542.201 - 3/4" Conduit
 - 5040.642.201 - 1/2" Conduit

RQDR-PS: For Profile Rails

- **Without Inserts**
 - 5040.042.202 - 1 1/4" Conduit
- **With MOVE Insert**
 - 5040.142.202 - 1" Conduit
 - 5040.242.202 - 3/4" Conduit
 - 5040.342.202 - 1/2" Conduit
- **With RQMR Insert**
 - 5040.442.202 - 1" Conduit
 - 5040.542.202 - 3/4" Conduit
 - 5040.642.202 - 1/2" Conduit

RQMR
Reducer for Conduit

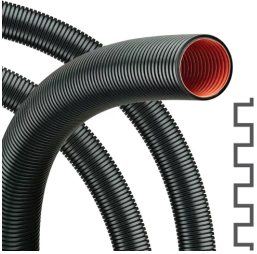

RQMR-MOVE
Movable Insert

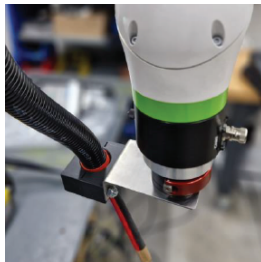

RQMR-Cabel
Cable Clamp Insert

Other Products for Robotics

ROHRFLEX PA 12+ Multilayer

- High-flex and durable conduit
- Multilayer design to warn of any wear
- V2 Flammability
- Sizing from 3/8" up to 1 1/2"

RQM Holder With RQMR-MOVE

- Solid holder with movable insert
- Fastening bore holes
- Impact resistant
- Self-extinguishing

RQPRO-S

- Protects conduit and cables from impact and abrasion
- Optional self-tapping screw to secure locking mechanism
- Can be paired with RQMR, RQMR-MOVE and RQMR-CABLE

RQGZ

- FLEXAquick fitting with strain relief
- NPT, Metric and PG threads
- IP 68|69K Protection
- One piece, tool free installation

Check Out Our Other Great Products

Cable Sleeves

- Full-body, slit, and self closing
- Protection against abrasion, corrosion, chemicals, heat and electromechanical waves
- Multiple color options

Cable Entry Systems

- Manage pre- and non-terminated cables
- Rectangular and circular cutout options
- UL94 V0 protection

Cable Glands

- Wide range of sizes and styles
- NPT, Metric and PG thread options
- NPB, stainless steel, polyamide, nylon, and more material options
